

4 EHF Champions League Quarterfinalists makes up the group of womens clubs who joins the 1st Pro Handball USA mega event in summer 2026.

The 4 clubs participating in the 1st Pro Handball Event in USA, in the summer of 2026 have now been chosen and we are proud to present the clubs.

GYÖRI AUDI ETO KC – The defending EHF Champions League winners and 6 times winners - is the first team presented. The team is full of big stars, and to name a few, presently, Brattset Dale, Nze Minko, Györi-Lukács, Toft, Housheer, and the De Paula – all lead by Swedish headcoach, Per Johansson. The proud club with huge traditions from Hungary is a club with a big legacy but also with an aim for the future. The green-white Hungarian club is the most successful woman handball club in the 21st Century.

Next team presented is **HB LUDWIGSBURG**. Runner up in the 2023/24 season of EHF Champions League and also defending German champions – with national title wins for the last 3 seasons. Big profiles on the team out south Germany this season, among others, Bundsen, Carlson, Nestaker, Smits and Döll – lead by Danish headcoach Jakob Vestergaard, who after this season will be leave for the next team presented. New headcoach from the 2025/26 season, Tomas Hlavaty who takes over as head coach and further development of the club.

ODENSE HAANDBOLD is our 3th team presented who in 2026 will be lead by Jakob Vestergaard. Out of Denmark, ODENSE HAANDBOLD, which is the most ambitious women's handball project out of Denmark for decades. Another team filled with big names like Højlund, Reinhardt, Rushfeldt Deila, Burgaard, and Lunde coming from the hometown of H.C. Andersen. Does Odense make it through in the Quarterfinals, then it will their first EHF Champions League, Final4 but with an aim for many more to follow.

Last of the 4 teams, are **BBH, Brest Bretagne Handball** from France. Lead by coach Raphaëlle Tervel, the team is a good combo major international experience, big names, great talent and an aim for the future. Profiles today are players like Foppa, Nocandy, Kanor, Lassource and Vyakhireva. The club from Bretagne – *Les Rebelles* – does it differently and with a firm view on the road ahead.

Press Release April 17th 2025

With these great 4 women's clubs chosen for our first Mega-event, you are guaranteed handball at the highest level, once these power-women enter the handball-court in USA, in July and August 2026.

It doesn't get any better than this.

Location and venue to be announced shortly. Stay tuned for more.

On the men's side, we will also be presenting the 4 strong clubs shortly – which also will be a proud collection of the best clubs on the global scene
